WHY UPDATE THE DESIGN TO ACHIEVE THE “TYPE A” GAS CERTIFICATION?

TYPE A GAS PRODUCTS ARE MASS PRODUCED PRODUCTS AND NATIONALLY CERTIFIED PRODUCTS THAT ARE TYPICALLY SOLD AT A RETAIL STORE (FOR EXAMPLE, BBQ'S AT BUNNINGS) AND HAVE BEEN CERTIFIED TO MEET THE RELEVANT AUSTRALIAN STANDARD.

BAINBRIDGE IS THE FIRST COMPANY IN AUSTRALIA TO ACHIEVE A “TYPE A” GAS CERTIFICATION FOR A BRANDING FURNACE. OUR PRODUCT MEETS THE REQUIREMENTS OF THE RELEVANT AUSTRALIAN STANDARD AND BAINBRIDGE UNDERTOOK A CERTIFICATION PROCESS WHICH INCLUDED DESIGN CHANGES, RISK REVIEWS, LABORATORY TESTING, COMPLIANCE AND APPROVAL OF ALL COMPONENTS, LABELLING REQUIREMENTS, INSTRUCTION REVIEWS ETC.

IN THE CASE OF UNAPPROVED GAS PRODUCTS, THESE GAS PRODUCT ARE COMMONLY SUGGESTED BY MANUFACTURERS TO FOLLOW A TYPE B PROCESS WHICH REQUIRE CERTIFICATION AND APPROVAL PRIOR TO USE. THE SYSTEM FOR UNAPPROVED GAS PRODUCTS ARE COMMONLY USED TO CERTIFY INDUSTRIAL GAS SYSTEMS THAT DO NOT MEET AN AUSTRALIA STANDARD (EXAMPLES LISTED IN THE PETROLEUM AND GAS ACT 2004 INCLUDE A FUEL GAS SYSTEM FOR A MOTOR VEHICLE OR VESSEL, AND A GAS FIRED BOILER AT A MAJOR INDUSTRIAL PLANT). THIS INVOLVES A PROCESS WITH A GAS CERTIFIER TO CREATE A REPORT ASSESSING RISKS, INSTRUCTIONS OF USE AND TO CERTIFY EACH INDIVIDUAL FURNACE UNIT IS SAFE PRIOR TO THE USE OF EACH UNIT (AND ANY CHANGES MADE TO THE PRODUCT TO ACHIEVE SAFETY) & THEN REGISTER EACH UNIT WITH THE QLD GOVERNMENT TO TRACK DEVICES IN CASE OF WORKPLACE HEALTH AND SAFETY ISSUES. MANDATORY ONGOING ANNUAL CHECKS BY A GAS CERTIFIER ARE REQUIRED TO MAINTAIN A TYPE B APPROVAL FOR EACH INDIVIDUAL DEVICE. THE COSTS INVOLVED FOR A TYPE B CERTIFICATION ARE SUBSTANTIAL.

AFTER UNDERTAKING A PROCESS TO ASSUME MANUFACTURING OF BRANDING FURNACE IN OUR FACTORY, BAINBRIDGE IS NOW THE ONLY BRANDING FURNACE MANUFACTURER IN AUSTRALIA THAT CURRENTLY HAS TYPE A CERTIFIED GAS PRODUCT THAT IS AVAILABLE FOR SALE NATIONALLY VIA RETAILERS. OUR PRODUCT IS TESTED, CERTIFIED AND MADE RIGHT HERE IN AUSTRALIA. NO FURTHER APPROVALS ARE REQUIRED TO SELL OR USE OUR BRANDING FURNACES.

REGISTERED DESIGN NO AUS: 2026 12097

WHAT DOES THE LEGISLATION SAY?

731AA - APPROVAL OF GAS DEVICES FOR SUPPLY, INSTALLATION, AND USE

(1) A PERSON MUST NOT SUPPLY A GAS DEVICE (TYPE A), OR INSTALL OR USE ANY TYPE OF GAS DEVICE, UNLESS—

(A) THE SUPPLY, INSTALLATION OR USE HAS BEEN APPROVED BY—

(I) THE CHIEF INSPECTOR; OR
(II) A PERSON WHO HOLDS A GAS DEVICE APPROVAL AUTHORITY FOR THE GAS DEVICE; AND

(B) THE GAS DEVICE COMPLIES WITH ANY LABELLING REQUIREMENTS PRESCRIBED BY REGULATION FOR THE DEVICE.

MAXIMUM PENALTY—200 PENALTY UNITS.

NOTE—THIS PROVISION IS AN EXECUTIVE LIABILITY PROVISION—SEE SECTION 814.
