Key features you can expect with mOOvement

- See the location of cattle with detailed outline of your property.
- Be able to save certain management information for every cow.
- Get out of fence alerts when a bull or cow has escaped a paddock.
- Get alerts when cows aren't moving for certain periods.
- Grazing patterns for complete herds.
- mOOving patterns to track individual animals over time (such as high value bulls).

The Terms

This pre-order form will confirm your interest. When mOOvement are able to send you the tags, they will send you an official agreement. The official agreement starts on the Commencement Date and continues for the term for three years. You may terminate the agreement on each anniversary of the Commencement Date, provided that you give mOOvement not less than 1 months' notice prior to the relevant anniversary.

The Costs

- **The Tag:** Costs for the GPS ear tags are \$49 per tag plus a subscription fee of \$9 per year/per tag from year one (this includes the features of the herd package).
- **Bull Package:** \$39 per bull/per year provides the special bull features. This is in addition to the \$49+\$9 tag cost and can be added or removed annually.
- **Antenna, Solar Kit & Router:** Costs for the field antenna (gateway, solar panel and router) are \$3,175
- **Antenna & Router:** Costs for the homestead are \$975 for antenna/gateway plus \$250 for the router.
- **Water monitoring:** Costs for adding water monitoring are \$1,350 per device, plus \$72 per year

*PLEASE NOTE: All prices exclude GST. The network costs of the sim card/router are inclusive** only when the device is being used for its purpose (**ie paid by mOOvement).

Payments

- Payment for the tags due upon delivery.
- Annual fees are due on delivery and thereafter before the annual renewal date.
 - Payment for the antenna, gateway and routers must be made at least 30 days prior to installation.
